Looking for Accommodation for Artists

The CircusDanceFestival is a festival for Contemporary Circus and Dance in Cologne. Once a year, the LATIBUL grounds and the adjacent meadow by the Rhine transform into a wonderful festival site with performances, concerts, discussions, film evenings, and DJs. International artists and groups from across Europe are our guests.

We are looking for people who can offer our international guests a cozy home and a warm welcome here in Cologne.

Do you have a **free room**, will you not be in Cologne over Pentecost, and would you like to make an artist's stay in Cologne extra special? Then please get in touch! You'll get a unique insight into the festival and meet exciting people from all over Europe.

Festival dates: June 6th – 8th

Accommodation period: June 5th – 9th

Send a short email to:

support@circus-dance-festival.de

The guests will stay for 2 – 3 nights. The care of the artists will be handled by the festival. As a festival, we naturally also value cleanliness and hygiene and will ensure that the artists' **accommodations are returned to you in clean condition**. Let us know briefly what you can offer, how long you would like to host someone, where you live, and how we can contact you. Our gratitude is assured, and we will thank you with **two free tickets per guest for a show** of your choice and **two free drinks**.

We appreciate any support!
